BRAGA

16 and 17th June

FREE ADMISSION

Fonte do Ídolo | Roman Thermal Springs of Alto da Cidade

TIME: June 16th (9:30 - 12:30/14:00 - 17:00)

17th June (11:00 - 17:00)

HIDDEN TRACES

Domus da Escola Velha da Sé

TIME: 16th of June (10:00 - 12:30/14:30 - 17:00)

17th June (11:00 - 17:00)

Activity where participants will be challenged to find small replicas of archaeological artefacts, related to the archaeological museum site in question. At the end, they will be presented with a felt bulla, in which the pieces discovered in the meantime will be placed, and a participation certificate. Starting at Fonte do Ídolo.

18th June

HIDDEN BRACARA AUGUSTA

TIME: 10:00 h.

Meeting point: Largo das Carvalheiras

This visit aims at showing the archaeological sites which have already been musealised or are in the process of being musealised, but which, for various reasons, are still far from the public eye.

Registration: by prior registration to gab.arqueologia@cm-braga.pt, until the day before the activity.

RUTA VÍA DE LA PLATA

17th June
(CARMONA)

ROMAN WORKSHOP

TIME: 11:00-13:00

The museum of the City of Carmona, in the South of Ruta Vía de la Plata, celebrates this workshop for children. This activity will allow children to approach and experiment the roman heritage and culture thank to archeologists and proffessionals.

Prior registration is required: +34 954 19 12 26

17 and 18th June
(GIJÓN)

ROMAN FUNERAL REENACTMENT

17 and 18th June TIME: 12:00-13:00

17th June TIME: 16:30 - 17:30 h.

Death and life were both important at the roman period. People didn't die at all if they lasted in the memory of those who remained alive. Because of this reason we can find a legacy and significance of the rites undertakers.

CARE AND MEDICAL PRACTICES IN ANTIQUITY. WORKSHOP

TIME: 13:00 - 14:00/ 17:30 - 18:30

This workshop brings explanations about the women role in the medicine. Their jobs and positions, tools used by the midwives and the herbalists.

Prior registration is required: +34 985 18 52 34

ALÉSIA

16th June

THE END OF THE RENÉ GOGUEY COLLECTION CLASSIFICATION

TIME: 17:30

Conference. René Goguey (1921-2015) is one of the pioneers of aerial archaeology. He dedicated over half a century to perfecting this technique. He flew over numerous regions in France and abroad to identify archaeological traces from his airplane that were only visible from the air. In 2015, he donated over 70,000 physical slides and nearly the same number of digital copies to the department.

17th June

COLONEL STOFFEL, NAPOLEON III'S MAN AT ALESIA

TIME: 16:30

Conference. Patrick Serre, a historian from Beaune and specialist in the Second Empire, recounts the extraordinary adventure of Colonel and Baron d'Empire Eugène Stoffel, who played a crucial role at Alesia as an archaeologist.

17 and 18th June

INTRODUCTION TO EXCAVATION

TIME: 10:00 - 12:30 / 14:00 - 18:00

Familiarize yourself with archaeological methods as a family through "excavation bins."

TOP ARCHÉO

TIME: 11:00 / 15:30

A 15-minute presentation by two archaeologists from Inrap on the Archaeo Space and the "Migrations" Archaeocapsule.
